Dear Fabienne,

Congratulations and thank you on a fabulous delivery of the "Online Strategies" presentation at the Tourism Industry Forum in Hervey Bay on the 5th June 2009.

Fraser Coast South Burnett Tourism will continue to develop the regions enthusiasm and participation in this important event. The time you invested into the Forum and your insight into the development of our regions Tourism Product contributed to the overall success of the day and we thank you for this.

From feedback received, the 120 and more guests that attended the event were more than pleased with the networking, entertainment and formal presentations that the forum provided. We at Fraser Coast South Burnett Tourism appreciate your support of our Tourism Industry Forum and thank you for your time and assistance.

Warm Regards
